

## Tchaba – Repaq

### Cooperation Statement

Tchaba is an international premium tea brand with an excellence in quality and taste. Tchaba tea is more than just a beverage. It is a ritual, a pause in your day, a moment of connection with yourself or others. Tchaba is committed to sustainability and a shared passion for the art of tea.

Repaq has been developing sustainable packaging solutions for the food industry since 2017. Repaq packaging is certified compostable and meets the highest environmental standard worldwide. It decomposes in natural and industrial environments and does not leave any microplastic in nature.

Since 2022 Tchaba and Repaq cooperating in the field of sustainability. Both brands are convinced of the zero-waste vision and the contribution that compostable packaging can make to it. Since then, Premium Tchaba Tea is packed into Repaq's high quality packaging successfully. Two strong brands with a perfect fit and a common future.
